

## Praise for *SUB-LEBRITY* by Leon Acord

“Stunningly deep ... beautifully shallow ... unflinchingly honest ... Acord is a gifted writer”

*All The Book Blog Names Are Taken*

“A ribald romp through the show-biz industry and ‘very out’ queer life of actor Leon Acord ... it draws readers into new worlds on more than one level, always spicing its writing with flamboyant descriptions that are notable for their engrossing observations and personal flair ... especially highly recommended for aspiring performing-arts participants”

Diane Donovan, Senior Reviewer  
*Midwest Book Review*

“An exciting and heartfelt adventure ... Acord immediately hooks readers with his personable, approachable, and candid tone. Humour and comedy play a big part in his book ... he treats the reader like a friend, and injects tidbits of wisdom, advice, and self-reflexivity throughout ... Acord curates his life events to create a cohesive narrative ... and clearly has a strong understanding of how to craft successful narratives ... light-hearted, humorous and inspirational”
